**About College Tonight Inc.**

College Tonight is a social networking experience and marketing platform which is designed to promote actual social interactivity among college students. Due to the mobile nature of the site, the service's design is also structured for the mobile user, focusing on nightlife events and social opportunities both directly on a student's campus and within their broader communities. College Tonight's platform intends to allow advertisers an opportunity to tap into the world of active, outgoing and socially motivated college students - the "trendsetters" and "tastemakers" of society.
